Did Ya

Boa

Guess you lose and it's too late
To try to come back
What part of no don't you understand?
Too badThere you go down
With yesterday's news in the trash can
I got no time to be looking back
I'm past that
And now you wanna change
It's too little too lateYou shoulda loved me
Right when you had me
Shoulda, shoulda
But you didn't, did ya?You shoulda known
I'm not gonna sit around
And wait for you
To get your act together
Shoulda known betterDon't say you wanna
Don't say you were gonna
You shoulda loved me right
But you didn't, did ya?Gotta a new place, a hot ride
This Gucci handbag
To match my kicks
And my brand new plan, hey nowWhy the look of confusion?
Oh sorry, my bad
Forgot to mention
My brand new man, take that
Say you wanna change
It's too little too lateYou shoulda loved me
Right when you had me
Shoulda, shoulda
But you didn't, did ya?You shoulda known
I'm not gonna sit around
And wait for you
To get your act together
Shoulda known betterDon't say you wanna
Don't say you were gonna
You shoulda loved me right
But you didn't, did ya?Take a good look
'Cause it's the last you'll see of me
Take a good look

Take a good look, babyMemorize this
All you have are memories
Memorize this
'Cause it's all you get to keepNo words, no rings
Not a damn thing
Is gonna bring me back to you
I'm so over youYou shoulda loved me
Right when you had me
Shoulda, shoulda
But you didn't, did ya?You shoulda known
I'm not gonna sit around
And wait for you
To get your act together
Shoulda known betterDon't say you wanna
Don't say you were gonna
You shoulda loved me right
But you didn't, did ya?
