Did Ya

Boa

Guess you lose and it's too late To try to come back What part of no don't you understand? Too badThere you go down With yesterday's news in the trash can I got no time to be looking back I'm past that And now you wanna change It's too little too lateYou shoulda loved me Right when you had me Shoulda, shoulda But you didn't, did ya?You shoulda known I'm not gonna sit around And wait for you To get your act together Shoulda known betterDon't say you wanna Don't say you were gonna You should aloved me right But you didn't, did ya?Gotta a new place, a hot ride This Gucci handbag To match my kicks And my brand new plan, hey nowWhy the look of confusion? Oh sorry, my bad Forgot to mention My brand new man, take that Say you wanna change It's too little too lateYou should loved me Right when you had me Shoulda, shoulda But you didn't, did ya?You shoulda known I'm not gonna sit around And wait for you To get your act together Shoulda known betterDon't say you wanna Don't say you were gonna You should aloved me right But you didn't, did ya?Take a good look 'Cause it's the last you'll see of me

Take a good look

Take a good look, babyMemorize this All you have are memories Memorize this 'Cause it's all you get to keepNo words, no rings Not a damn thing Is gonna bring me back to you I'm so over youYou shoulda loved me Right when you had me Shoulda, shoulda But you didn't, did ya?You shoulda known I'm not gonna sit around And wait for you To get your act together Shoulda known betterDon't say you wanna Don't say you were gonna You should aloved me right But you didn't, did ya?
