

It Could Happen To You

J.J. Johnson

Hide your heart from sight
Lock your dreams at night
It could happen to youDon't count stars
Or you might stumble
Someone drops a sigh
And down you'll tumbleKeep an eye on spring
Run when church bells ring
It could happen to youAll I did was wonder
How your arms would be
And it happened to meHide your heart from sight
Lock your dreams at night
It could happen to youDon't count stars
Or you might stumble
Someone drops a sigh
And down you'll tumbleKeep an eye on spring
Run when church bells ring
It could happen to youAll I did was wonder
How your arms could be
And it happened, and it happened
And it happened to me
