

If You Say So (Morgan Geist Remix)

Escort

We alone say it so
I'm going out of my head and out of control
To make it so
My love, my love, my love
Will you whisper those
Same words just so I feel ready to go
It's not impossible
To love, to love, to love Come a little closer, don't be shy
Speak your mind
Tell me what you think and don't be shy
We'll make it right
If you say so, give it up, give it up
Like it's easy
If you say so, give it up, give it up
And it's easy to let go
But I can't let go
If you say so If you say so, give it up, give it up
Like it's easy
If you say so, give it up, give it up
And it's easy to let go
But I can't let go
If you say so
Real love, come on and say it's so
It's not like I'm afraid to be alone
So just say it so
My love, my love, my love
Every story that you tell
Know them better things you know yourself
How you say it's just so
To love, to love, to love If you say so, give it up, give it up
Like it's easy
If you say so, give it up, give it up
And it's easy to let go
But I can't let go
If you say so I want you to come along
If you say so
Different stage, everyone's going
If you say so
I will wait all night long

If you say so If you say so, give it up, give it up

Like it's easy

If you say so, give it up, give it up

And it's easy to let go

But I can't let go

If you say so

Say it isn't slow, say it isn't over

Say it isn't slow, say it isn't slow

Say it isn't slow, say it isn't over
