

Pass The Peas

The J.B.'s

Hey Bobby, why do you like soul food?
Because it makes me ... ha-a-a-py
Pass the peas, the cheese,
Pass the peas like we used to say it
Pass the peas like we used to say it
Pass the peas like we used to say it
Come on now!(Trombone solo)
Pass the peas
Pass the peas
Pass the peas
Pass the peas
Pass the peas
Pass the peas
Pass the peas
Pass the peas
Pass the peas
Pass the peas
Pass the peas
Pass the peas
(fade)
