The Ascension

Phil Wickham

Verse 1:
This is the start
Of something amazing
A moment when heaven touches the earth
Here in our hearts
Lord, we are waiting
For something that's far beyond what we have seen or heardChorus:
Let us start the ascension
Let's begin the climb
Up this holy mountain where Your glory shines
Further up
Further in
Just to be with You again
Let us start the ascensionVerse 2:
We're fixing our eyes
On glory and fire
Your Name is branded on our hearts
You are the Source
Of all our desire
Nothing can hold us back
We're running to where You areChorus:
Let us start the ascension
Let's begin the climb
Up this holy mountain where Your glory shines
Further up
Further in
Just to be with You again
Let us start the ascensionWe run to Your lightChorus:
Let us start the ascension
Let's begin the climb
Up this holy mountain where Your glory shines
Further up
Further in
Just to be with You again
Let us startChorus:
Let us start the ascension
Let's begin the climb
Up this holy mountain where Your glory shines
Further up

Further in
Just to be with You again
Let us start the ascensionWe run to Your light
