

Shake (Live In Europe)

Otis Redding

Shake
Everybody say it (shake)
Early in the morning (shake)
Late in the evening (shake)
In the midnight hour (shake)
When the time's going bad, now (shake)
Shake with the feeling (shake)
Shake with the feeling Listen while I talk to you, now
Tell you what I'm gonna do, now
There's a new thing going around, now
I'll tell what I'm puttin' down, now You move your body all around and just shake
Oh, g'on, g'on, baby, now
Oh, that's the way you do it
Shake, shake, shake it, baby
Shake it like a bowl of soup
Let it go loop-de-loop, now
Put your hands on your hip, now
Come on and let your backbone slip
Move your body like your hip and just shake! Got to, got to have it, shake in the morning
Early in the evening A ring-a-ling-a-ling
Honey, shakin' is the greatest thing
But if you really roll
Got to do the thing with soul
Shake-it, shake with all your might now
But if you do it, do it right now
Put your hands on your hip, yeah
Come on and let your backbone slip
Move your body like your hip and just shake Lord have mercy, now
Early in the morning
Late in the evening
All night long, y'all If you really want to really roll, now
Gotta do the thing with soul, now
Shake-it, shake with all your might, yeah
Now, if you do it, do it right, now
Let your body loop de lite and just Lord have mercy, shale
Everybody say it, shake
One more time, said shake
Everybody say it, said shake
Everybody say it, said shake

One more time, now, said shake

Everybody louder

Little bit louder
