

Seems Like A Long Time

Rod Stewart

Nighttime is only the other side of daytime
But if you've ever waited for the sun
You know what it's like to wish daytime would come
And don't it seem like a long time
Seem like a long time, seem like a long, long time
Hard times are only the other side of good times
But if you ever wished hard times were gone
You know what it's like to wish good times would come
And don't it seem like a long time
Seem like a long time, seem like a long, long time
Help me, seems like a long time
Seems like a long time, seems like a long, long time
And don't it seem like a long time
Seem like a long time, seem like a long, long time
And don't it seem like a long time
Seem like a long time, seem like a long, long time
And don't it seems like a long time
Seems like a long time, seems like a long, long time
You know it makes me sad
Seems like a long time, seems like a long time
Seems like a long, long time
Yes it does, long, long, time, yes it does, long, long time
War time is only the other side of peace time
But if you've ever seen how wars are won
You know what it's like to wish peace time would come
And don't it seem like a long time
Seem like a long time, seems like a long, long time
