

El Urgencia

Hollywood Undead

Six pack in hands, stage dive to the pit
Hustle the ladies, got gorilla tactics
I'm creepin' through the show when I'm scanning for hoes
Girls got a bag of slippers wanna do the no, no
Get back to the bus, it's the end of the night
Get back to the bus and get out of my life
'Cause I got people to see, hoes as freaky as me
I roll it to the after party with my boy Charles P
Picked up a few friends, now I'm dippin with bitches
Socked the bitch to my right, I said click it or ticket
Girl feeling my ride, now she's getting suspicious
This a brand new Miata as I'm hittin' them switches
I ride behind Charlie as he's poppin' a wheelie
I finally made it to the party, now he's coppin' a feely
See Da Kurlzz out front doing tricks on his Heely's
Now I'm finna get down yelling somebody beer me
So chug this beer with me
Get drink with Charlie Scene
Sense this urgency
'Cause I ain't tryna get drunk alone
So smoke this joint with me
Get high off Funny's weed
Sense this urgency
'Cause I ain't tryna get high alone
I roll up to the party in my Honda
Funny followed me is his Madza Miata
Damn what a balla, top down what a primadonna
The spinners that he bought, straight out of auto zone for 30 dollars
Money we have nadda, let's go inside I'll folla
They didn't let us in, so we hopped a wall
But I dropped ya, that's when I lost ya, I didn't try to call ya
I ran into a crowd of Celebrities and Papa
Razzi and they shot a pictures of me and Dennis Harper
Now I need a doctor, yo little Johnny
Coke juice and vodka is turning me into a monster
One more shot and I'ma gonna
But Charlie, I saw ya stick your dick in the salsa
I don't want no drama
I'd rather have my anaconda deep throated by piranhas

So take these pills with me
Got 'em from J D O G
Sense this urgency
'Cause I don't wanna get high alone
So take this Ecstasy
They must be J3T's
Sense this urgency
'Cause I ain't trya get down alone
Hey, who's going to the rave tonight, huh?
Hey, we'll see some girls there, it be rave poppin'
Oh, odela fool
Who's wants to get pussy?
So chug this beer with me
Get drink with Charlie Scene
Sense this urgency
'Cause I ain't tryna get drunk alone
So smoke this joint with me
Get high off Funny's weed
Sense this urgency
'Cause I ain't tryna get high alone
I'm fucking horny now
