In The Sun (Princess Diana Tribute track)

Peter Gabriel

I picture you in the sun
Wondering what went wrong
And falling down on your knees
Asking for sympathy
And being caught in between
All you wish for and all you seem
And trying to find anything
You can feel that you can believe inMay gods love be with you , always [Repeat: x1]I know I would apologize
If I could see your eyes
'cause when you showed me myself, you know
I became someone else
But I was caught in between
All you wish for and all you need
I picture you fast asleep
A nightmare comes
You can't keep awakeMay gods love be with you, always [Repeat: x3]
May gods love be with you'Cause if I find - if I find my own way
How much will I find, if I find, if I find my own way [Repeat: x2]
How much will I find [Repeat: x2]
You, yeah, you
I'll find you, you, you, oh [Repeat: x3]Oh I don't know anymore
What it's for
I'm not even sure
If there is anyone
Who is in the sun
Will you help me to understand
'cause I've been caught in between
All I wish for and all I seem
Or maybe you're not even sure
What it's for
Anymore than meMay gods love be with you
Always
May gods love be with you [Repeat: x1]
Be with you ...
