Good Vibrations

Boho Dancer

Good vibrations in your house
in your house I'll be the haunted mouse
You say something and I need you more
I need you more, and I eat you more
I buy time to have you near
You send me stories of something new
And all the reasons for something new

I can't seek nobody else but you around here
Do you dare me, dare devil my sun of broken dreams

I'm growing in your arms
I'm the honey on your skin
I'm growing in your arms
Am I the honey on your skin

Good vibrations in your house
In your house, Iâ€™ll be the haunted mouse
Take my shaking hand, 'caus I'm nervous, and it's not getting better
do you dare devil, to look me in my pale green eyes
I can show you something new, but it will not grow easy
no not grow easy on you 'caus my eyes are flickering

I try too hard but I'm moving too slow
Do you dare me, dare devil can you carry me there

I'm growing in your arms
I'm the honey on your skin
I'm growing in your arms
Am I the honey on your skin x2

I can't make any promises
and i don't like to
I can't be the tattoo close to your beating heart.
Maybe I will ware off tomorrow or in a month or two,
Maybe I will shake your precious world into pieces
But the pieces is my thing, and you can take them with you
I'm not sure where I'm going, and I don't know if you're with me
But can we laugh together when the storm is too loud
Take me with you when the storm is too loud

Take me with you caus Iâ€™m too loud
