

# So Much for You

Ashley Tisdale

If you got the time, I'll take it  
If you got the vibe, we'll make it  
I'll do that, I'll do that If you wanna dance, let's move it  
If you wanna play, let's play it  
I'll do that, I'll do that And I get on up and I get on down  
And I play the fool when I act the clown  
You know that I'd do anything for you If you want the world, you got it  
If you want the girl, you got it  
I'll do that, baby, I'll do that  
So much for you If you want it all, you got it  
Can you hear me call? You got it  
I'll do that baby, I'll do that So much for you  
So much for you  
So much for you If you got the game, let's win it  
If you got the mood, let's bring it  
I'll do that, I'll do that If you got the song, just sing it  
If you sing it wrong, just swing it  
I'll do that, I'll do that And you get on up and you get on down  
And you make me smile when I wanna frown  
You know that I'd do anything for you  
Shake it If you want the world, you got it  
If you want the girl, you got it  
I'll do that, baby, I'll do that  
So much for you If you want it all, you got it  
Can you hear me call? You got it  
I'll do that, baby, I'll do that So much for you  
So much for you  
So much for you 'Cause if you want it  
You gotta have it, own it, feel it  
And believe it, go achieve it  
And if you know it You've gotta shout it, scream it, yell it  
Won't you show it?  
Don't you blow it If you want the world, you got it  
If you want the girl, you got it  
I'll do that, baby, I'll do that  
So much for you If you want it all, you got it  
Can you hear me call? You got it  
I'll do that, baby, I'll do that So much for you  
So much for you

So much for you
