

# Down the Line

## Johnny Cash

Well, you can't be my lover, baby  
You ain't got the style  
I'm gonna get some real good love  
That'll drive the cool cats wild I gotta move, roll it right on down  
I'm gonna get me a girl and I'll go out on the town Yes, I gotta move on down the line  
I wanna get me a girl and I'll make some time  
She can't be square, she can't be bully  
When she starts trouble, gotta look at me Gotta move, move it right on down  
I'm gonna get me a girl and I'll go out on the town, yeah Oh, well I'm gonna show you a-way so hot  
I'm gonna get what you ain't got  
She'll be sweet, she won't do me wrong  
She'll be cool and twice as gone I'm gonna move, move it right on down  
I'm gonna get me a girl and I'll go out on the town Yes, I'm gonna move on down the line  
I wanna get me a girl and make some time  
She can't be square, she can't be bully  
When she starts trouble, gotta go get cool Gotta move, move it right on down  
I'm gonna get me a girl and I'll go out on the town, yeah I'm gonna move on down the line  
I wanna get me a girl, make some time  
She can't be square, she can't be bully  
When she starts trouble, gotta go get cool  
Gotta move, move it right on down Yes, I'm gonna move on down the line  
I wanna get me a girl and make some time  
She can't be square, she can't be slow  
When she starts trouble, gotta go get cool Gotta move, move it right on down  
I'm gonna get me a girl and I'll go out on the town Yes, I'm gonna move on down the line  
I wanna get me a girl and I'll make some time  
She can't be square, she can't be bully  
When it starts trouble, gotta go get cool Gotta move, move it right on down  
I'm gonna get me a girl and I'll go out on the town
