

96 Degrees

Third World

96 degrees in the shade,
Real hot, in the shade..
96 degrees in the shade,
Real hot, (whoah-yes) in the shade.Said it was 96 degrees, in the shade..
Ten thousand soldiers, on parade..
Taking I and I to meet a big fat boy,
Sent from overseas,
The queen employ.
Excellency, before you I come,
With my representation,
You know where I'm coming from.You caught me on the loose,
Fighting to be free,
Now you show me a noose,
On the cotton tree,
Entertainment for you,
Martyrdom for me.96 degrees in the shade,
Real hot, in the shade..
96 degrees in the shade,
Real hot, (whoah-yes) in the shade.(..)Some may suffer, and some may burn,
But I know that one day, my people will learn,
As sure as the sun shines, way up in the sky,
Today I stand here a victim, the truth is I'll never die.96 degrees in the shade,
Real hot, in the shade..
96 degrees in the shade,
Real hot, (whoah-yes) in the shade.96 degrees in the shade,
Real hot, in the shade..
96 degrees in the shade,
Real hot, (whoah-yes) in the shade.96 degrees in the shade,
Real hot, in the shade..
96 degrees in the shade,
Real hot, (whoah-yes) in the shade..
