

Ye Santo Ka Prem

Sadhvi Purnima

Ye santo ka prem nagar hai yahan sambalkar aana ji.
Ye pyaso ka prem nagar hai yahan sambhalkar aana ji.
Jo bhi aaye yaha kisi ka ho jaye deewana ji.

Aisa barse rang yahan par janam janam tak mun bhige.
Saabun bina chunaria bhige sawan bina badan bhige
Aisi barkha hoye yahan par bache na koi gharana ji.

Yahan na jhagda jaati paati ka aur na jhanjhat majhab ka.
Ek sabhi ki pyaas yaha par ek sabhi ka hai pyala.
Yahan piya se milna hou tou parde sabhi hatana ji.

Yahan dwet ki sue na chubhti ghule batasa pani main.
Pehen taaj fakir ghumte satguru ki rajdhani main.
Yahan naav main nadiya dube sagar seep samana ji.

Chaar dhaam ka punnay mile hai is dar shish jhukane main
Maja hai kya wah jeene main jo maja yahan mar jaane main.
Haath bandhkar mout khardi hai chahe khud mar jana ji.

Ye santo ka prem nagar hai yahan sambhalkar aana ji.
