Pull Myself Away

Brian Mcfadden

Found myself magnetized
My senses they were hypnotized
Everything was drawing to you
I lost all sense of time
The everyday was pushed aside
Even though I've so much to lose
You have tried to open up my eyes
You don't mean a word you say
Can't pull myself away
Can't pull myself away
Can't pull myself away
Now I'm on a danger list
The thief of love, it's everest
How can I have such a selfish heart?
Like the river needs the rain
I've come to drink your words again
That could come to blow my world apart
You can try to fix it with a lie
You don't mean a word you say
Can't pull myself away
Can't pull myself away
Can't pull myself away
Can't pull myself away

Oh, what a beautiful way to go
What a beautiful way to go
What beautiful way to go
Something I will never do
Is be a cause of pain for you
I should just forget it all today
Drawn in to you, I can't seem to
Pull myself away
I hear you calling as I'm falling
Can't pull myself away
Drawn in to you, I can't seem to
Pull myself away
I hear you calling as I'm falling
Can't pull myself away
Can't pull myself away

(Drawn in to you, I can't seem to)
Can't pull myself away
(Pull myself away)
Can't pull myself away
(I hear you calling as I'm falling)
Can't pull myself away
(Can't pull myself away)
Can't pull myself away
