

Sababu Elfu Kumi

Reuben Kigame

SABABU ELFU KUMI (10,000 reasons)
Kiswahili Translation by Reuben Kigame (2013)

Hebu sifu Bwana
E moyo wangu
Sifu jina lake;
Imba kabisa
E moyo
Abudu jina lake.

Liinukapo jua siku mpya
Nitaimba wimbo wako
Cho chote kijacho maishani mwangu
Hadi jioni nitakuimbia.

Hebu sifu Bwana
E moyo wangu
Sifu jina lake;
Imba kabisa
E moyo
Abudu jina lake.

Mwingi wa upendo, mpole wa hasira
Jina lako kuu, moyo mpole
Kwa wema wako nitaimba milele
Sababu elfu kumi moyoni.

Hebu sifu Bwana
E moyo wangu
Sifu jina lake;
Imba kabisa
E moyo
Abudu jina lake.

Na siku ya mwisho nguvu zikiisha
Wakati wangu wa kuja kwako
Moyo wangu bado â€™takuimbia
Sababu elfu kumi milele.

Hebu sifu Bwana

E moyo wangu
Sifu jina lake;
Imba kabisa
E moyo
Abudu jina lake.

Hebu sifu Bwana
E moyo wangu
Sifu jina lake;
Imba kabisa
E moyo
Abudu jina lake.
Abudu jina lake
Abudu jina lake.
