Elected (Remastered Single Version)

Alice Cooper

I'm your top prime cut of meat, I'm your choice
I wanna be elected
I'm your Yankee Doodle Dandy in a gold Rolls Royce
I wanna be electedKids want a savior and don't need a fake
I wanna be elected
We're all gonna rock to the rules that I make
I wanna be elected, elected, electedI never lied to you, I've always been cool
I wanna be elected
I gotta get the vote, and I told you 'bout school
I wanna be elected, elected, electedHallelujah, I wanna be selected
Everyone in the United States Of AmericaWe're gonna win this one, take the country by storm
We're gonna be elected
You and me together, young and strong
We're gonna be elected, elected, electedRespected, selected, call collected
I wanna be elected"And if I am elected
I promise the formation of a new party
A third party, the wild party
I know we have problems
We got problems right here in Central City
We have problems on the North, South, East and West
New York City, Saint Louis, Philadelphia, Los Angeles
Detroit, Chicago
Everybody has problems
And personally, I don't care"
