

Woke Up This Morning

Gary Moore

I woke up this morning, my baby was gone
Woke up this morning, my baby was gone
I've feel so bad, I'm all alone I ain't got nobody, stayin' home with me
I ain't got nobody, stayin' home with me
My baby she's gone, I'm in misery Well baby, I'm all alone
Yes baby, I'm all alone
I ain't had no lovin', since my baby's been gone
All right Oh baby, I'm all alone
Oh baby, I'm all alone
My baby she's gone, I'm in misery Oh baby, come on stay with me
Oh baby, come on stay with me
My baby she's gone, I'm in misery Oh baby, I'm all alone
Oh baby, I'm all alone
I ain't had no lovin', since my baby's been gone
