

# He's Mine

## The Platters

He's mine  
(Yes she's really mine)  
He's mine  
(Yes she's really mine)He's mine  
He's mine  
He's mine  
Really mineI feel my baby loves me so  
He really lets me know  
He's mine  
Really mineHe's mine  
He's mine  
He's mine  
Really mineI feel my baby loves me so  
He really lets me know  
He's mine  
Really mineWhen he pets me  
He's sweet and gentle  
It just gets me  
Honest and truly, I'm sentimentalHe's mine  
He's mine  
He's mine  
Really mineI feel my baby loves me so  
He really lets me know  
He's mine  
Really mineHe's mine  
(Yes she's really mine)  
He's mine  
(Hmm, she sure is fine)  
He's mine  
(Gotta be out of my mind)  
He's mine  
(Oh man, this chick is something else)  
He's mine
