

# Uko Mbele

## Just a Band

Can I walk in the rain with you?  
Will you give me a chance to prove oh oh?  
Can I walk in the rain with you?  
Will you give me a chance to prove oh oh?

Ju uko mbele jo

Uko mbele jo

Ju uko mbele jo

Uko mbele jo

Can I walk in the rain with you?  
Will you give me a chance to prove oh oh?  
Can I walk in the rain with you?  
Will you give me a chance to prove oh oh?

Ju uko mbele jo

Uko mbele jo

Ju uko mbele jo

Uko mbele jo I may not have a chance but I'll give you a try

I used to be the dice but you make a surprise

But I won't anymore 'cause I know what it feels like

Being alone is not something I like

Never know (know) Never know (know)

What it can be

Never know (know) Never know (know)

What it can be Can I walk in the rain with you?

Will you give me a chance to prove oh oh?

Can I walk in the rain with you?

Will you give me a chance to prove oh oh?

Ju uko mbele jo

Uko mbele jo

Ju uko mbele jo

Uko mbele jo

Can I walk in the rain with you?  
Will you give me a chance to prove oh oh?  
Can I walk in the rain with you?  
Will you give me a chance to prove oh oh?

Ju uko mbele jo

Uko mbele jo

Ju uko mbele jo

Uko mbele jo I am usually so dignified but for you I'm a fool

I'm trying to scratch my head to say something cool

But I don't think I know what to tell you oh my my  
Everything that I would say doesn't sound right  
Never know (know) Never know (know)  
What it would be  
Never know (know) Never know (know)  
What it would be
