

# The Weaver

Paul Weller

Can you put a smile back on all these different faces  
Of all these people from such different places  
And if you can succeed what then will you achieve  
With a different tune to play you've been saving for a rainy day, hey  
Will you heal the scar that's on the years  
been wasted?  
The tears spent on the past just filling spaces  
Or is love forever gone banished to a smaller part?  
Hide behind your wall and start to get to the very heart  
Oh, an' if you wanna shoot the moon  
Make sure that you know, why?  
Careful fly too soon  
Better let someone else try  
I'm the weaver of your dreams, I get rid of your bogeyman  
I'm here to smash the shell you're under  
An' get you into another thing  
I'm the weaver of your dreams, I put paid to the rocketman  
I'm here to break the spell you're under  
And get you started with another plan  
Could you put a kiss back on the lips so twisted  
Waiting for the chance to start dipping into wishes  
Or is love forever gone, banished to a smaller part  
Hide behind your wall and start to get to the very heart  
Oh, an' if you wanna shoot the moon  
Make sure that you know, why?  
Careful fly too soon  
Better let someone else try  
I'm the weaver of your dreams, I get rid of your bogeyman  
I'm here to smash the shell you're under  
An' get you into another thing  
I'm the weaver of your dreams, I put paid to the rocketman  
I'm here to break the spell you're under  
And get you started with another plan, with another plan  
And in the midst of the darkest night  
Think of me and hold me tight  
So that I might live to see  
All the weaving of my dreams  
I'm the weaver of your dreams, I get rid of your bogeyman  
I'm here to smash the shell you're under  
An' get you into another thing  
I'm the weaver of your dreams, I put paid to the rocketman  
I'm here to break the spell you're under  
And get you started with another plan  
What 'bout it  
Oh, get you into another thing  
I'm the weaver of your dreams, I put paid to the rocketman  
I'm here to break the spell you're under  
And get you started with a, with another plan  
Oh, with another plan

Oh, with another plan
