

# Dancing on a High Wire

## The Alan Parsons Project

We're living in a different reality, we're toeing the same line  
We give in we call it neutrality, a joke with no punchline  
The silver plated hero meets the golden hearted whore  
The odds'll give you zero, she'll be leaving in a few days more Movin' on forever  
Maybe she don't care  
Holding on together  
Maybe it just ain't there You're dancing on a high wire  
You need to be so sure  
There used to be a lifeline  
There isn't anymore We are the same with no similarity, talk at the same time  
We believe in freedom and charity as long as I get mine  
The ivory Madonna is walking through the door  
You watch her from a window, it doesn't matter anymore Movin' on forever  
Maybe she don't care  
Holding on together  
Maybe it just ain't there You're dancing on a high wire  
You need to be so sure  
There used to be a lifeline  
There isn't anymore Movin' on forever  
Maybe she don't care  
Holding on together  
Maybe it just ain't there You're dancing on a high wire  
You need to be so sure  
There used to be a lifeline  
There isn't anymore Dancing on a high wire  
You need to be so sure  
There used to be a lifeline  
There isn't anymore
