

# On My Own (From "Les Misérables")

## Lea Salonga

On my own  
Pretending he's beside me  
All alone  
I walk with him 'til morning  
Without him, I feel his arms around me  
And when I lose my way, I close my eyes and he has found me  
In the rain  
The pavement shines like silver  
All the lights are misty in the river  
In the darkness, the trees are full of starlight  
And all I see is him and me forever and forever  
And I know it's only in my mind  
That I'm talking to myself and not to him  
And although I know that he is blind  
Still I say there's a way for us  
I love him  
But when the night is over  
He is gone  
The river's just a river  
Without him, the world around me changes  
The trees are bare and everywhere the streets are full of strangers  
I love him  
But every day I'm learning  
All my life I've only been pretending  
Without me, his world will go on turning  
The world is full of happiness that I have never known
