

# The Eyes Of Truth

## Enigma

The Eyes of Truth  
Are always watching you  
Alsyn Gazryn Zeregleenn  
Aduu shig mal shig torolzonoo khuoo  
(In the distance the mirage stands out like horses and cattle.  
Very glad to see my beloved son.)  
Je me regarde (I look at myself)  
Je me sens (I feel myself)  
Je vois des enfants (I see the children)  
Je suis enfant! (I am a child!)
