

# She (Single Version)

## Tommy James & The Shondells

She loves her man  
And lets him know every way she can  
So long so, hand in hand, together  
She knows his mind  
Every way, all the time  
So long so, hand in hand, together  
Ooh, oh yeah  
She stands along  
All the way, right or wrong  
To support and more, twice as strong, yeah, together  
She, she  
She's a woman  
She, she, she, she
