

Cloak of Midnight

Carpathian Forest

The trail I walk is haunted
By his blinding lightSomewhere
Down there
For eternities undefeated
Unwanted
Untouched
The evil incarnateThe cloak of midnight
Screams are strong
Around the oppressedLike a blizzard
Like a whirlwind
Like the long lost divinity!
It falls heavy like a stone
I am what I am
Spill the blood one more timeThe trail I walk is haunted
By his blinding lightCloak of midnight
