

Stay

Oingo Boingo

This is not the first time you tried to get away
This is not a party where people know your name
This is not a classroom with teacher at the board
This is not a cat show with prizes at the doorGo don't you go
Won't you stay with me one more day
If we get through one more night
If we get through one more nightThis is not a horse race where winners beat the time
This is not a funeral with mourners in a line
This is not a sitcom where everything's alright
This is not a prison with terror through the nightGo don't you go
Won't you stay with me one more day
If we get through one more night
If we get through one more nightThis is not the first time you tried to get away
This is not a party where people know your name
This is not a classroom with teacher at the board
This is not a cat show with prizes at the doorGo don't you go
Won't you stay with me one more day
If we get through one more night
If we get through one more nightGo don't you go
Won't you stay with me one more day
If we get through one more night
If we get through one more nightThis is not the first time you tried to get away
This is not a party where people know your nameWhere people know your name
Where people know your name
