Prom Night

Mister Monster

You look like a girl that'd crucify her mother with her kitchen knives
I'd love to do that too, can I cut the rug with you?
Would you bleed in my shower stall, if I held your hand and watched the
bucket fall?
You'd never see me laugh, we'd get the junior high too and the entire high
school staffJust like you I hate them too and want to get back
I'll help you clean in the end, we'll watch 'em burn blackA bloody student body would be quite a sight
I'll help you burn them all at the stake
On this Halloween called "prom night"Would you let me touch your dirty pillows?
And let me hold them for long?
Would your crazy mother mind?
Or be the kind of crazy girl I would like?Just like you I hate them too and want to get back
I'll help you clean in the end, we'll watch them burn blackA bloody student body would be quite a sight
I'll help you burn them all at the stake
On this Halloween called "prom night"Carrie, Carrie-You're my one true love
You look so good in pigs blood
Carrie, Carrie-Would you wear my ring?
Don't make me dig up what would've been
Carrie, Carrie-You're my one true love
We'd look so good in their blood
Carrie, Carrie-Would you be my date?
I hope our funeral ain't too lateA bloody student body would be quite a sight
'Cause I'd help you burn them all at the stake
On this Halloween called "prom night"ooh, oooh....wooooh..ooh....Carrie, Carrie-You're my one true love
You look so good in pigs blood
Carrie, Carrie-Would you wear my ring?
Don't make me dig up what would've been
Carrie, Carrie-You're my one true love
We'd look so good in their blood
Carrie, Carrie-Would you be my date?
I hope our funeral ain't too late
Whoa oh oh oh oh
Whoa oh oh oh oh oh Whoa oh!!
