Animals

Travis

I was sure I was right
I was king for a day every night
I was wrong I was wrong
And I knew where to go
Every step was a step up the road
I was on I was on
As I reach for the sky
It was clear I couldn't fly 'cause I'm not that animalAll the animals are running after me
It's all that I can do to stay on two feet
All the animals are running to the sea
And I give it away every night every day
Every word that I say
I'm an animalSo I land on a stage
And I find that I'm slipping away
Let it roll, let it roll
And the heart plays a game
Trying to fool a reptilian brain In control, in control
Where I fly, or I fight
Wanna look into your eyes
There's nothing but animal thereAll the animals are running after me
It's all that I can do to stay on two feet
All the animals are running to the sea
And I give it away every night every day
Every word that I say
I'm an animalSo let your walls come crashing down
Let your prayers fall to the ground
Let me see your smile
At the corner of the block
Be your words for a while
Be a song for a whileAll the animals are running after me
It's all that I can do to stay on two feet
All the animals are running to the sea
And I give it away every night every day
Every word that I say I'm an animal I'm an animal
