

I'll Be Your Other Man (feat. J.A.b.A.n)

Trick Daddy

I've been having fantasies of me and you
Thinkin 'bout how could it be just me and you
Girl I'll be your other man (other man)
Your freaky, licky, kinky, lover man
Mr. Kiss-it-where-you-love-it man (Girl I'm having)
Fantasies of me and you
(And I'm thinking) of how it could be just me and you
(Girl I'll be your other man)
(Your freaky, licky, kinky, lover man)
(Mr. Lick-me-where-I-love-it-man)
Can you see what I'm talking 'bout
I wanna be the one to knock it out
Show ya all the things that you need
There's no need for you to beg me please
I want you to understand
All I wanna be is your other man
Me for you, you for me, make this thing a reality
Call your crib from the phone
'Baby I'm on my way'
This is world-wide it's straight
And I don't let my concinse rush and be okay
Thinking block 'cause I'm seeing you tonight
Hell yea baby just me and you tonight
Smoes, rows, and the clothes you'll be having on
Behind closed doors, so no ones knows
What's going on, holding eachother
While we be sucking on (sucking on)
Hell yea, you'll be feeling butt soaking
And frontin' on (frontin' mo) We'll be off the chain
And be fucking on ease pussy juices that got my mind gone
Let alone, God forgive me if I have sinned, 69in' with my
Baby mamma's closet friend, and yea she gotta man (she gotta
Man) but hell I understand (I know I've been having fantasies of me and you
Thinkin 'bout how could it be just me and you
Girl I'll be your other man (other man)
Your freaky, licky, kinky, lover man
Mr. Kiss-it-where-you-love-it man
I've been having fantasies of me and you
Thinkin 'bout how could it be just me and you
Girl I'll be your other man (other man)

Your freaky, lick, kinky, lover man
Mr. Kiss-it-where-you-love-it man I'll be your other man, undercover first cousin, me being your
Brother's friend, no matter live mamma girl, I understand, I
Know you live with your man, chill with your man, I say we fuck
On it when we can, chickies on the bar, fucking all in the car
Sleep around, peep around, and only after dark, hell I know it's
Hard (God, gonna make a way for us) and if it's meant (there
Will be a special day for us) pray for us, and let me ease your
Mind, treat you right, eat you from behind, everytime, If you
Don't mind, I'll be your other man, yea I'll be your other man (Feel me like I'm feelin' you
Open your eyes and see what I'm going through
I don't care if it's wrong or right, but I gotta taste
That pussy tonight, If you're here, If you're there, If
Between your toes, girl I don't care, my mission is
To please you, and make you see that all I wanna be
Is Your other man)
