

See That Animal

Elastica

See that animal, get some heavy metal
Watch the world go singing, sha-la-la-la
White stick happiness will we ever know
How it feels, how it feels? I feel your tattoo on mine
But I can't wash it out this time
Oh, it's time, oh, it's time
Oh, it's time, oh, it's time See that druggy act, AC/DC drag act
On the wires in the sky tonight
Fifteen new cities but will we ever know
How it feels, how it feels? I feel my tattoo on you
It's a sweet thing, Terry
But it's not true
It's not true, it's not true
It's not true, it's not true
