

Bad Looks Good on You

.38 Special

All day you're havin' to play the good girl
And you never be letting your guard down
But when the night-time calls you to a different world
You turn your attitude around With just a little bit of intimate danger
And a lot of genuine mystery
When the music's jumpin' it starts to change ya
You got your tight red dress, high heeled shoes
And a new barbed-wire tattoo, baby
Bad looks good on you It's not like your shakin' it for the first time
Only a fool wouldn't realize
And the way you move's about to blow my mind
You've got me wild-eyed and hypnotized With just a little bit of intimate danger
And a lot of genuine mystery
When the music's jumpin' it starts to change ya
I'm mesmerized by the way you move
Keep doin' the things you do
Bad looks good on you
