

# One of a Kind

## Placebo

On top of the world you get nothing done  
Talk is cold and burns like the sun  
Cant you see these skies are breaking?  
'Cause the top of the world is where Im fromThe back of the class is where I was  
Keeping quiet, playing dumb  
Cant you see these skies are breaking?  
'Cause the back of the class is where Im fromAnd I am one, I am  
I am one, I am, I am  
I am, I am, I amIm in a race and it's killing time  
I dont need yours, Ill keep it with mine  
Cant you see these skies are breaking?  
'Cause Im in a race and Im doing fine, thank youTwo of a kind and no one home  
Im in a crowd and Im still alone  
Cant you see these skies are breaking?  
'Cause one of a kind is all I ownI am one, I am  
I am one, I am, I am  
I am, I am, I amOut of the womb and into the void  
I wanna try but I get annoyed  
Cant you see these skies are breaking?  
'Cause I'm out of the womb and into the voidI am one, I am  
I am one  
I am, I am, I am, I amI am one, I am  
I am one, I am, I am  
I am, I am, I am  
On top of the world you get nothing done
