

# Are You With Me?

## Jaya the Cat

Taking a walk  
Through the valley of a roadside  
Taking a walk through the valley of a roadside  
On a sunny afternoon  
Smoking a smoke Through the streets of poppyfield  
Smoking a smoke through the streets of poppyfield  
On a sunny afternoon  
I'm travelling down a man made avenue  
There's a stop sign this time I'm going through  
Are you with me On my journey  
Are you with me in the search for the sunshine  
On a sunny afternoon  
Now I'm driving my car  
Down the path of a hillside  
Driving my car down the path of a hillside  
On a sunny afternoon  
Holding your hand  
Down a lane made for lovers  
Holding your hand down a lane made for lovers

On a sunny afternoon  
I'm travelling down a man made avenue  
There's a stop sign this time I'm going through  
Are you with me  
On my journey  
Are you with me in my search for the sunshine  
On a sunny afternoon  
I'm travelling down a man made avenue  
There's a stop sign this time I'm going through  
Are you with me  
On my journey  
Are you with me in my search for the sunshine  
On a sunny afternoon  
Are you with me  
On my journey  
Are you with me in my search for the sunshine  
On a sunny afternoon
