Love Is Blind

Limahl

(INTRO)
Love is blind
Blind is love(VERSE 1)
Ive played the fool
Too long now for you
Take a last look at my face
Yes, Ive found someone to take your place(BRIDGE)
Goodbye lover
Lover goodbye(CHORUS)
Love is blind
When youre torn between the truth and lies
Love is blind
And the truth is staring you right in the eye
(Love is blind)
Love is blind(VERSE 2)
By the rules we are bound
And they say what goes, comes around
Theres no loss without gain
And Ive learned my lessons through the pain(REPEAT BRIDGE)
Goodbye lover
Lover goodbye(REPEAT CHORUS)
Love is blind
When youre torn between the truth and lies
Love is blind
And the truth is staring you right in the eye
(Love is blind)

Lover goodbye
Goodbye
Goodbye(FINAL CHORUS)
Love is blind
When youre torn between the truth and lies

And the truth is staring you right in the eye
