Love Street

Tomorrows Bad Seeds

she burned down my house , burned it down
on love street lord love a ain't so sweet
and the smoke clouds the seen clouds the seen
up up above me oohh love

you know like i know
its hard to believe
between you and me
this love could never be
would never be
because you ran around ,
ran around that unfamiliar sound
of a love lost in vain g
irl the loves not he same

oohh she burned it down
(burned it down) all my love
girl the love we had has burned away

you burned down my house ....

see the truth of the fact the matter
was i didn't have any right words
or flowers to amuse or begin to seduce you
none for none for you but my love
it seems that you ran around
ran around the unfamiliar sound
of a love lost in vain
girl the loves not the same

oohh she burned it down
(burned it down) all my love
girl the love we had has burned away

you burned down my house ....
.....on love street

girl the love we had has burned away
she burned it down (burned it down)

you got me running around this town
looking for that unfamiliar sound
and though the love has only been burned down
i was so lost but now I'm found
you got me running around this town
looking for that unfamiliar sound
and though the love has only been burned down
i was so lost but now i say
oohhh.....
no no no love
no no no no love
no no no no love
