

Killa Whale

Andre Nickatina

(Whale calls)(Dre Dog talking)Hehehehe...
Oooh...
This shit is on beat....
Hehehehe...
Man...
Drop that shit boy...
Hehehehehe...
Fillmoe....
Hehehehe...
Did somebody say umm...Fillmoe?
Mista Jim Jones could ya...please drop a verse?(Dre Dog)
Nigga it's the J to the I to the M to the J-O-N-E-S
Nigga in the flesh
Chewy boy, doobie with the buddha ccess
I'm like the Lion King cause everything I see is mines
And Tommy Tuckers man i'm stoppin like a sign
So read my mind, the situation's critical
And off that chewy man shit can get like britical
You think you know me? Well test your luck and try me out
And watch me treat you like a cow in a slaughterhouse
That cutty chrome, that microphone
That new Jim Jones, that indo zone
That watch that valium on your dome
I'm putting beary fairy niggas in a state of shock (shock!)
And I'm a killa whale but nigga check my pimp glock
So bust that, crush that, crush thatCuh-crack crack!
That's how that nigga's neck snap
I'm heartless like that wolverine
Deadly like that Octagon
Fillmoe to the fuckin heart
Crooked like the Pentagon
Recka! Niggas get jumped like checkers
So what's the use if fuckin Salt if I can't fuck with Pepper
So check my rep, survival tech, and hit man killa tactics
Niggas get buried faced down on silver plastic
Mothafucka, niggas get split like a wishbone
Dank or dope, bank or cope, Nigga Mista Jim Jones
The fat rat dominator, microphone terminator
Quick to break the neck of an E-40 imitator

Nigga don't front, you know I got you open
 With more Raider in me than they ever had in Oakland
 To all you mothafuckas that just can't tell
 I'm a Pisces but I'd rather be a killa whale
 PLOT!To all you mothafuckas that juss can't tell
 I'm a Pisces but I'd rather be a killa whaleTo all you mothafuckas that juss can't tell
 I'm a Pisces but I'd rather be a killa whaleTo all you mothafuckas that juss can't tell
 I'm a Pisces but I'd rather be a killa whaleTo all you mothafuckas that juss can't tell
 And I'm a Pisces but I'd rather be a killa whale(Dre Dog)
 Nigga check my Ike Turner way of doin things
 Not out for peace, Dre Dog is out to ruin things
 The most hated mothafuck in the Frisco park
 And Tommy Tuckers that talk foo I watch like a hawk
 So strike a pole, strike a deer when you see me bitch
 And like a hound on a fox hoe I'm on your scent
 You fuckin skunk
 Some sugar and some chocolate thai skunk
 These niggas step up and get hung like a duck
 Cause I'm the dirty worm hunter
 The catterpilla killa
 Attitude juss like a ruthless Cuban coke dealer
 In Miami, nothin but the money and the power
 A deadly mix at 6 foot 6 I'm sorta like a tower
 Or a tanker, a mothafuckin Iraq tanker
 Nigga raise up and get (dropped!) dropped (dropped!) like an anchor
 The Gaurdian Angels lookin straight to rip right on the spot
 Cause all you are are voluntary unpaid rent a cops
 And I'm a factor, better yet a motherfuckin force
 Now I gotta shoot you like a broke legged horse
 In pain, nigga break me off beneficial
 Mothafuckas praise Nino Brown and Felix Mitchell
 Big bread, too mothafuckin smart for the feds
 These niggas try to whisper (what you say?) but I heard
 whatyou said
 I'm like woof, I know foo but you don't have a clue
 (Fuck you!) Nigga fuck me? NO NIGGA FUCK YOU!
 Fuck them mothafuckas I don't duck them mothafuckas
 I say fuck them mothafuckas I don't trust them mothafuckas
 So without a doubt I'll turn it out I ain't got no time to clown
 My first four words are to the point: nigga lay it down
 So rock me up cause I'm dope and triple beam to scale
 311 is my birth but nigga I'm a killa whale
 GOT YOU!To all you mothafuckas that juss can't tell
 I'm a Pisces but I'd rather be a killa whaleTo all you mothafuckas that juss can't tell
 I'm a Pisces but I'd rather be a killa whaleTo all you mothafuckas that juss can't tell

I'm a Pisces but I'd rather be a killa whale
To all you mothafuckas that juss can't tell
I'm a Pisces mothafucka
