Bigger Than My Circumstance

The Foster Triplets

He's Bigger Than My Circumstance Foster Triplet

There is no situation that my God can be defeated for he is bigger than my circumstance
And there is no man or mountain that's able, to stand against him for he is maker and ruler of all.

Chorus
Giants fall one and all. The Jordan rolls back for me
The anger billows cease, when Jesus stands and says peace
oh oh oh, oh oh oh, oh oh oh
He bigger then my circumstance.

He said he's still God and there is no other
When you go through your storms He is right there
Don't fear and no matter how high your billows roll
Your billows know. Abrahams God cannot fail he's still in control

Chorus
Giants fall one and all
The Jordan rolls back for me
The angry billows cease
When Jesus stands and says peace
oh oh oh, oh oh oh, oh oh oh
He's bigger than my circumstance

Giants fall one and all
The Jordan rolls back for me
The angry billows cease
When Jesus stands and says peace
oh oh oh, oh oh oh, oh oh oh
He's bigger than my circumstance
Bigger than bigger than

Giants fall one and all
The Jordan rolls back for me
The angry billows cease
When Jesus stands and says peace
oh oh oh, oh oh oh, oh oh oh
He's bigger than my circumstance
oh oh oh, oh oh oh, oh oh oh

He's bigger than my circumstance.
