

# Let You Down (feat. John Cooper Clarke)

## Inspiral Carpets

Do you miss me  
do you toss and turn does the money burn  
one day you'll learn  
picture this On dirty lane  
And the wind blows sideways  
there are five ways  
This is going my way reminisce Don't tell me I'm your man  
I Will only let you down  
Don't tell me I'm your man  
I Will only let you down Lost birds roaming  
digging deep my phone beeps my heart leaps  
this is going my way  
On dirty lane  
and the wind blows sideways  
there are five ways this is going my way  
reminisce Don't put your trust in me  
I Will only let you down  
Don't put your trust in me  
I Will only let you down Did you smoke  
just a regular joke it's you who you choked  
semi decent folk  
going my way Crazy to exist  
it's kinda funny  
Chance meeting your final request  
tell me when is show day  
Don't tell me no one knows  
he will only let you down  
Don't tell me no one knows  
he will only let you down Stand on me you could never be wrong  
that's what I'm trying to tell ya in this song  
in your face is the case I'm on  
we had a date at 8 I was there 7.45  
just in case better be safe  
they call me Dr reliable to my face  
I thought I better touch base  
Stand on me you could never be alone  
take it to Barclays on my phone  
trust me I'm a doctor  
my prescription is

7 of these with a bottle of fizz  
I've been certified, certifiable  
bedside manners undeniable  
a sporting life seems less than viable  
I'm on you back coz time ain't plyable  
call out the quack Dr reliable  
Dr reliable do you miss me (Dr reliable)  
Do you toss and turn  
does the money burn  
one day you'll learn  
picture this On dirty lane  
and the wind blows sideways  
reminisce there are five ways this is going my way  
Reminisce Don't tell me I'm your man  
I Will only let you down  
Don't tell me I'm your man  
I Will only let you down  
Don't tell me I'm your man  
I Will only let you down  
Don't tell me I'm your man  
I Will only let you down Let you down (repeat) \*11
