Forgive Me

Slick Idiot

Your Big Sad Eyes Is The Only Thing I See,
When I Think About, About You And Me.
Looking Outside My Window There's Nothing, Nothing To See,
I Live In The Basement Or At Least That's How I Feel.Komm' Zu Mir, Ja Bitte Komm' Zu Mir.
Ich Habe Die Schoensten Dinge An Mir.
Oeffne Dich, Ja Bitte Oeffne Dich,
Ich Bin Dein Liebchen Und Bleibe Bei Dir.High Strung, Ice Cold, Too Young And Too Bold,
One Day You Will See The End Of Infinity.I Used To Be Tarzan And You Used To Be Jane,
The Nights Were Wonderful Over And Over Again.
And Than It Happened Beyond, Beyond My Control,
Once I Refused To Hide I Was Ready To Decide.Komm' Zu Mir, Ja Bitte Komm' Zu Mir.
Ich Habe Die Schoensten Dinge An Mir.
Oeffne Dich, Ja Bitte Oeffne Dich,
Ich Bin Dein Liebchen Und Bleibe Bei Dir.Forgive Me !!It's Messy Inside Me, I'm Hooked On Reality.
It's Easy To Prolong The Things That Are Unknown.I Can't Fight This Feeling, I'm Trying To Free Me.
Reach Out, Have No Pain And Slowly Forgive Me.Forgive Me !!
