It's hard to let you go  
 It's hard to let you go  
 It's hard to let you go  
 It's hard to let you go  
 It's hard to let you go  
 It's hard to let you go  
 It's hard to let you go  
 It's hard to let you go  
 It's hard to let you go  
 It's hard to let you go  
 It's hard to let you go

One hour  
 One hour  
 One hour  
 One hour  
 One hour  
 One hour

One hourIt's hard to let you go  
 It's hard to let you go  
 It's hard to let you go  
 It's hard to let you go  
 It's hard to let you go  
 It's hard to let you go

One hourIt's hard to let you go  
 One hour  
 One hour

One hourIt's hard to let you go  
 It's hard to let you go
