No Conviction (previously unreleased)

Lagwagon

Not elected, no evade, no constituency, no regard from government, no more
sense for charity, I don't want suck democracy, want to keep my dignity, my
eyes see the reality, nothing just insanity, you're life is lake an irony, we
venture, strike reality, media will always keep you, raiding you up
Strong believes
Without a doubt, you can not figure out what life is all about and are trapped
to feelTwo more watt where you keep fighting, you're empty inside, life, life, life,
life, for me it's electrifying, I'm totally stoned, singing and ringing up till
we are dead cause you're life is like an irony, we venture, strike reality,
media will always keep you, raiding you upStrong believes
Without a doubt, yeah, strong believes without a doubt, how can you, how can
you, how can you
Have strong believes without a doubt, have strong believes without a doubt, how
can you, you can even think that life counts?Not elected, no evade, no constituency, no regard from
government, no more
sense for charity, I don't want suck democracy, no way, it's just dignity, my
eyes see the real world, nothing just insanity, my life is lake an irony, we
venture, strike reality, media will always keep you, raiding you up
