

# Climb

## Tori Amos

Climb over the church wall, he said  
You can feed the koi in the pond  
Climb over the church wall in your Sunday dress  
Be sure to feed the koi in the pond  
It's a long, long climb going back in time  
All of me wants to be, believe  
That the angels will find me Saint Veronica  
All of me wants to be, believe  
That somehow you will save me Saint Veronica  
He said: Kneel before your judges in reverence  
Your penance for the woman you'll become  
You knew if you talked there'd be a consequence  
Your sentence for the woman you'll become  
Ten days of hell in Satan's cell  
All of me wants to be, believe  
That the angels will find me Saint Veronica  
All of me wants to be, believe  
That somehow you will save me Saint Veronica  
Dream of dimensions  
Then cross through the veil to them  
Wrap yourself in linen holding Jesus close  
Calling Saint  
Calling Saint  
Saint Veronica  
Climb out of the belly of the beast, she said  
Become a witness out of the abyss  
The temple of the soul will have to heal the flesh  
Only when you're whole can you forgive  
But it's a long, long climb  
It's a long, long climb
