Forever

Papa Roach

In the brightest hour of my darkest day
I realized what is wrong with me
Can't get over you

Can't get through to you

It's been a helter skelter romance from the startTake these memories that are haunting me Of a paper man cut into shreds by his own pair of scissors

He'll never forgive her

He'll never forgive herBecause days come and go, but my feelings for you are forever Because days come and go, but my feelings for you are foreverSitting by a fire on a lonely night Hanging over from another good time

With another girl, little dirty girl

You should listen to this story of a lifeYou're my heroine in this moment I'm lonely

Fulfilling my darkest dreams

All these drugs, all these women

I'm never forgiven, this broken heart of mineBecause days come and go, but my feelings for you are forever Because days come and go, but my feelings for you are foreverOne last kiss, before I go

Dry your tears, it is time to let you go

One last kiss

One last kiss, before I go

Dry your tears, it is time to let you goBecause days come and go, but my feelings for you are forever Because days come and go, but my feelings for you are foreverOne last kiss, before I go

Dry your tears, it is time to let you go
One last kiss, before I go
Dry your tears, it is time to let you go
One last kiss
