I Wanna Be (Album Version)

Emma Roberts

I took my time
Learning my lines
Trying to sort it out
This life that I lead
Has trapped my naive
I wanna scream out loud
Leave the past behind
Now is my timeI wanna see
I wanna dream
I wanna live a life of fantasy
I wanna fly
I want my life to be much more than just an alibi
Can't you see
I wanna be
I wanna beRunning in place
Been out of the race
Before it even started
I'm stuck at the gate
Don't make me wait
To swim in a sea uncharted
Fly, sail
A starry night
First star I see tonight
I wish for a kiss goodbye
Now I'm flying highI wanna see
I wanna dream
I wanna live a life of fantasy
I wanna fly
I want my life to be much more than just an alibi
I wanna see
I wanna dream
I wanna live a life of fantasy
I wanna fly
I want my life to be much more than just a journey
Leading down the road to nowhere
Future fading masquerading wonders
And that's when I begin to dream
