

# Boy I've Been Told

## Sa-Fire

Looking in your eyes  
I see a memory  
Of how it used to be  
Before our world came tumbling down I try, I did nothing else but try  
To keep our love alive  
Oh, how I loved you so  
And you just made me cry Did you deceive me?  
Did you do me wrong?  
Boy, I can't take it  
Can't take it anymore I feel so helpless  
Not knowing what to do  
Do I keep on crying  
Or do I leave you? Boy, I've been told  
Leaving you is the thing to do  
It would be easy  
If I didn't want to start anew Boy, I've been told  
Leaving you is the thing to do  
It won't be easy  
'Cause breaking up is hard to do Touch this lonely heart  
As I try to sing to you  
About the things you do  
Now, I'm alone, dissatisfied Did you deceive me?  
Did you do me wrong?  
Boy, I can't take it  
Can't take it anymore I feel so helpless  
Not knowing what to do  
Do I keep on crying  
Or do I leave you? Boy, I've been told  
Leaving you is the thing to do  
It would be easy  
If I didn't want to start anew Boy, I've been told  
Leaving you is the thing to do  
It won't be easy  
'Cause breaking up is hard to do Just like my friend said  
You were never good for me  
So, just go about your way  
Don't worry about me  
And just forget we ever happened The time has come  
To say goodbye

Don't ask why  
Just let it all go  
I've made it through  
There's someone new
