

Magdalene

White Zombie

Hey, miss magdalene girl sympathy mind hey, miss magdalene girl power. power off, yeah grant a flesh show
meek inherit nothing but death song queen sex go-go moving like a bad dream promised so long ago blessed art
thou among women is this easy come is this easy go mingled with fear you get what you wish, wish, wish, wish,
wish gabriel get out this is my nazareth wicked joy trembling town wicked joy be a raging machine chosen
worthy to explode a king a king, king, king, king, king, king, king, king, king drilling down deep inside heartache
tests the pain girls on the bar swing around danger does the same magdalene, magdalene, magdalene, magdalene
peace grants suspicious crashing like some animals southern terror claws scream "how can this be?" mary, mary
sex machine mary. mary raging on beat, beat, beat girl this is what you need this is what you need now, now,

now
