

# Stuck

## The Aces

[Verse 1]

We talk, talk 'til we're blue in the face  
The words, the words don't resonate  
Seasons, they always seem to stay the same  
I'm holding on to things we said we would change[Chorus]

I'm stuck, babe  
Stuck with nowhere to go  
It cuts, babe, 'cause we're just taking it slow  
It's overdue, make your move  
Stuck, babe  
Stuck with nowhere to go

[Verse 2]

You move, and I don't really know what to say  
Too soon, am I supposed to feel this way?  
Reach out but I don't wanna get in your way  
Too little, too late, I know that's what you're gonna say[Chorus]

I'm stuck, babe  
Stuck with nowhere to go  
It cuts, babe, 'cause we're just taking it slow  
It's overdue, make your move  
Stuck, babe  
Stuck with nowhere to go[Bridge]

I see it in your eyes, your eyes, your eyes  
We ain't satisfied  
Waste away our lives, our lives, our lives  
We ain't satisfied

[Pre-Chorus]

We talk, talk 'til blue in the face  
Holding on to the things we said we would change[Chorus]

You know I'm stuck, baby  
Stuck with nowhere to go  
(You know I'm stuck here)  
It cuts, babe, 'cause we're just taking it slow  
(Taking it slow)[Outro]

I see it in your eyes, your eyes, your eyes  
We ain't satisfied  
Stuck, baby

Stuck with nowhere to go
