Revolution

Eric Clapton

Told you once, I told you twice
You never listen to my advice
Good kind treatment, I'm through with you
Won't get to heaven, I don't care what you doI seen you changin' from day to day
Nothin' never gets in your way
Don't feel nothin' for no one else
Take what you want, just help yourself(Say you wanna, say you wanna)
Now you want a revolution
(Wanna revolution)
A revolution now(Say you wanna, say you wanna)
Say you want a revolution
(Wanna revolution)
A revolution nowTold you once, I told you twice
You never listen to my advice
Now you're out there, you're on your own
Ain't got no friends, ain't got no homeGettin' mad, I'm gettin' mad at you
Mad at you, just don't like the way you do
Don't know where you think you've been
But you're gonna wind up back there again(Say you wanna, say you wanna)
Now you want a revolution
(Wanna revolution)
A revolution now(Say you wanna, say you wanna)
You want a revolution
(Wanna revolution)
A revolution now(Say you wanna, say you wanna)
Say you want a revolution
(Wanna revolution)
A revolution now(Say you wanna, say you wanna)
Do you want a revolution?
(Wanna revolution)
A revolution now, revolution, a revolution nowTime has come and it won't be long
For you to see where you come from
You can't go back, can't go back, can't stay the same
No one but yourself to blame(Say you wanna, say you wanna)
Now you want a revolution
(Want a revolution)
A revolution now(Say you wanna, say you wanna)
You want a revolution
(Wanna revolution)

A revolution now(Say you wanna, say you wanna)
Say you want a revolution
(Wanna revolution)
A revolution now(Say you wanna, say you wanna)
Do you want a revolution?
(Put in a revolution)
A revolution now(Say you wanna, say you wanna)
Say you want a revolution
(Wanna revolution)
A revolution now(Say you wanna, say you wanna)
Say you, say you want a revolution
(Wanna revolution)
A revolution now(Say you wanna, say you wanna)
Say you want a revolution
(Wanna revolution)(Say you wanna, say you wanna)
Say you, say you
(Wanna revolution)Say you wanna, say you wanna
Wanna revolution
Say you wanna, say you wanna
Wanna revolution
